Sports are extremely active, physically demanding, and can be openly aggressive. The possibility exists that I can be injured, or permanently disabled by my physical presence in the Lupine Productions playing environment due to; including but not limited to, equipment failure, the forces of nature, circumstances a reasonable person would consider unusual and unforeseen, negligence and/or conduct, hostile or passive, of the Lupine Productions members, agents, servants, minions, spectators and fellow participants, whether actively engaged in a sport as a player or a bystander.

As such, I unequivocally agree and accept that; including but not limited to, any equipment failure, negligence, and/or conduct, contributory or benign, any act; foreseen or unforeseen, absence of an act, whether intentional or unintentional, or by the absent of, or the lapse of, established selective rules of safety and/or sportsmanship that places my safety, present or future health, physical and/or economic well-being in jeopardy, will be embraced within the intent and specifics of this Waiver.

I agree to accept the financial responsibility for the loss or damage to the equipment rented, loaned, or used by me or those I allow to use, including but not limited to, replica weapons, costuming supplies, safety devices, game props, and protective apparatus.
